

## News Release

# CRAIG & HEIDT, INC. RECOGNIZED AS ACCREDITED QUALITY CONTRACTOR

Contact: Sam R. Craig, II  
Phone Number: 713-467-7932

For Immediate Release  
Date: April 26, 2011

**HOUSTON, TEXAS – Craig & Heidt, Inc.** has been named an “Accredited Quality Contractor” by Associated Builders and Contractors (ABC) for its demonstrated commitment in five key areas. These areas are quality, worker safety, benefits, training and community involvement. Sam Craig was presented with the AQC plaque by the Greater Houston Chapter of Associated Builders and Contractors.

The company joins a distinguished group of over 450 construction firms from across the country. Craig & Heidt, Inc. attained AQC status by submitting an outstanding portfolio of the company’s policies and procedures, training, awards, recommendation and charitable events.

The award recognizes the high degree of employee commitment at Craig & Heidt, Inc.. At all levels, Accredited Quality Contractors are focused on quality both on the job site and in civic activities.

Sam Craig, president, has shown the public that Craig & Heidt, Inc. is dedicated to creating a safe, supportive environment for employees by providing the skills needed to work safely and productively on the job site. Craig & Heidt, Inc. is also committed to taking an active role in the community in which we live and build.

**Associated Builders and Contractors (ABC)** is a national association with 75 chapters representing more than 23,000 merit shop construction and construction-related firms with nearly two million employees. Visit us at [www.abc.org](http://www.abc.org).
